Committee to Restore

Carbondale City Hall

Dear David:

Attached, for your information, are copies of nine letters that I wrote today on behalf of the Committee to Restore Carbondale City Hall.

Part III of my history of Carbondale's three City Halls will be the longest of the three parts. Perhaps the material on "Carbondale's Third City Hall" (present-day City Hall) can be divided in half. At the end of the first half of Part III, the following note can be placed: "The conclusion of Part III of this history will be presented in next week's issue of The Carbondale News." That way it will not be necessary to explain that what was originally intended to be a three-part series has turned out to be a four-part series.

Enclosed for your use or for the use of anyone on the Committee are fifty pages of the Committee's stationery that I produced today.

Sincerely,

Robert
